

Dispensing Provider's Addendum

Effective March 3, 2001, dispensing providers may receive a dispensing fee of \$5.73 for each Medicaid covered outpatient drug dispensed to a Medicaid patient if **both** of the following conditions are met:

Check all that apply

If **both** conditions below apply to the applicant, this addendum **MUST** be notarized.

- The Dispensing Provider's practice location is 45 miles from a retail pharmacy.
- The Dispensing Provider is not a covered entity under 42 U.S.C.256b or purchasing outpatient drugs under either the 340b program (section 602) or Federal Supply Schedule pricing (section 603). **7 AAC 145.410**

Please provide the number assigned to the pharmacy or dispensing provider by the National Council for Prescription Drug Plans (NCPDP), formerly the National Association of Boards of Pharmacy (NABP).

NCPDP/NABP Number

Please provide the National Provider Identifier (NPI) assigned to the pharmacy or dispensing provider.
