Eligibility Verification System (EVS) Updated

During June 2004, the EVS technology will be updated. Providers should expect a smooth transition. Providers will notice the new EVS technology has a new customer service voice response.

Providers' current PIN number(s) will not change. The types of information available in the new system will remain the same.

If you have any questions, please contact our Provider Inquiry line at 907-644-6800, option 1 or 1-800-770-5650 (toll-free in Alaska).
