Attention: Crosswalk Developed for Alaska State Unique Codes

To meet standardized format deadlines in compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Division of Health Care Services (DHCS) is ending all state unique codes. The Centers for Medicare and Medicaid Services (CMS) will allow Medicaid agencies to use state unique/local codes for dates of service on or before December 31, 2003.

Some of the state unique/local codes have already ended and the information regarding these codes was sent out with your weekly remittance advice messages. However, codes that have currently been crosswalked are attached to this letter. This crosswalk contains all of the information needed to complete your claim form.

Important: The new codes are effective beginning with January 1, 2004 dates of service. Please review the attached crosswalk to identify the new codes.

If you have any questions, please contact First Health Services Corporation at (907) 561-5650 or 1-800-770-5650 (toll-free in Alaska) and choose option #82 (Provider Inquiry).
