

## CMS PERM Provider Resource Page

The Centers for Medicare and Medicaid Services (CMS) has developed a [PERM provider resource page](#) to help providers better understand the PERM process and what is required during a PERM review.

Providers are encouraged to visit the [CMS PERM provider resource page](#) regularly and frequently to obtain the latest PERM information.

If you have questions about the PERM review process, you may contact Lori Campbell at 907.269.3020 or by email at [Lori.Campbell@alaska.gov](mailto:Lori.Campbell@alaska.gov).
